Remote display ABC/CPC, 12 m cable

Mounting plate with 3-colour LED for status indication with 12 m cable.

- // Kompatibel mit allen Ladegeräten ABC und CPC
- // Compact lightweight
- // Easy assembly and installation

The remote display ABC/CPC with built-in display shows the operating status of the charger via a 3-colour LED. It is compatible with all chargers ABC (except 3.2 kW series) and CPC.
